

## Ketchum Sustainable Building Code Team

Meeting Minutes 7/24/12

### Attendees:

Rebecca Bundy, Mike Doty, Steve Kearns, Joe Marx

- Jon Riley is moving to Chicago. Replacement team member discussed. The Team wants someone without a conflict of interest or a vested interest, yet someone who also understands the issues.
- Mike discussed Chapter 6 – electrical and air handling. All energy is converted into a common metric.
- Team needs to talk to developers, figure out where the push-back is.
- Team thought a workshop on commissioning would be a good idea – maybe have Gary Christensen (Banner Bank Building, Boise, LEED Platinum) come up to talk.
- Next meeting scheduled for Tuesday, August 28, 2012 at 4:00pm.

### Tasks to complete before next meeting:

- Joe will contact friend in California about CalGreen.
- Rebecca will call building departments about IgCC and Calgreen.
- Mike will talk with ES<sup>2</sup> and Stoops about IgCC.
- Joe will see if Glen Carsten has interest in joining the Team.
- Think about at what size building should the IgCC kick in?
- Think about how IgCC would work with tenant improvement projects.
