

Ketchum Chip Seal Update 2014.

The streets scheduled for chip sealing have been changed in an effort to limit the impact on downtown businesses. The city will circle back next year and pick a date earlier in July to complete the streets in the core.

Following is the chip seal schedule for this year:

July 28: Second Ave. from Eighth to Serenade
Cottonwood
Bordeaux

July 29: Edelweiss
Rember
Williams
Third Ave. from Rocking Horse to Sixth
Wood River Drive from the North end South past Sabala

July 30: Rocking Horse to Fourth Ave. to Bird Drive
Wood River Drive, near Sabala to the bike path

Questions or concerns? Contact Street Superintendent Brian Christiansen at 726-7831 or bchristiansen@ketchumidaho.org.
