### **Mountain Rides Seeks Funds for Late-Night Bus Service**

Mountain Rides will request additional funding for late-night bus service this winter from the Ketchum City Council at its regular meeting Monday, Dec. 15, at 5:30 p.m.

Mountain Rides already has added buses to serve the Warm Springs and Elkhorn areas, as well as the “valley” route from Ketchum to Hailey, until 2:30 a.m. on New Year’s Day.

Several restaurant and bar owners have asked for extended service through the busy winter months as a means of increasing business. Mountain Rides is developing budget data and expects to make a specific proposal with cost estimates and possible funding sources on Monday.

A committee to explore late-night service was formed after the Dec. 1 City Council meeting on permits for taxi and limousine service. One proposal is to offer free service, as Mountain Rides does on its daytime routes in Ketchum and Sun Valley, and ask for contributions from restaurant and bar owners.

Committee members are City Councilmembers Anne Corrock and Michael David; Kristen “Kitten” Derrig, co-owner of The Cellar Pub; Jon Duval, executive director of the Ketchum Community Development Corporation; Police Chief Dave Kassner and Kirk “Bubba” Lindsey, owner of Sun Valley Limo and Taxi.
