## Chip Seal Schedule – 2015 ALLEYS

The Ketchum Streets Division will be chip sealing city alleys Aug. 11-12 as weather permits. Chip sealing is a very important part of our street maintenance program and one of the most cost effective ways to help maintain the integrity of our streets and alleys, and help minimize potholes. Without chip sealing, the streets and alleys would quickly deteriorate to the point of reconstruction. If you live or have a business on one of the alleys scheduled to be treated, please turn off your sprinklers the day your street is scheduled. Wet roads cause the process to be ineffective. **Business owners should reschedule deliveries to avoid these dates.**

Traffic delays will be kept to a minimum.

**PLEASE REMOVE AUTOMOBILES AND OTHER VEHICLES OR EQUIPMENT PARKED ON THE ALLEY PRIOR TO ITS SCHEDULED CHIP SEAL DATE. VEHICLES THAT ARE NOT REMOVED WILL BE TOWED.**

Questions or concerns? Contact Street Superintendent Brian Christiansen at (208) 726-7831 or [bchristiansen@ketchumidaho.org](mailto:bchristiansen@ketchumidaho.org).
