Voluntary Sales And Use Tax Collection Agreement

Recitals

This Agreement is made between Global Health Trax Inc., of Vista, California hereinafter referred to as "Global Health Trax" and the City of Ketchum, Idaho, hereinafter referred to as the "Taxing Jurisdiction".

WHEREAS, Global Health Trax is a corporation incorporated under the laws of a state other than the Taxing Jurisdiction; and

WHEREAS, Global Health Trax maintains its headquarters outside of the Taxing Jurisdiction; and

WHEREAS, Global Health Trax is a wholesaler of various consumer products. Global Health Trax engages in interstate commerce by selling its products to Independent Business Owners, hereinafter referred to as "IBOs" on a sale for resale basis at wholesale prices; and

WHEREAS, the IBOs are independent businesses and not employees, agents, managers, legal representatives, franchisees, order takers or joint venturers of Global Health Trax; and

WHEREAS, the IBOs retail the products to the general public at a price determined by them; and

WHEREAS, Global Health Trax provides a suggested retail price to the IBOs, but the IBOs are free to charge the price each IBO deems suitable; and

WHEREAS, all sales made by IBOs result in personal profits or losses because they are independent business owners; and

WHEREAS, Global Health Trax delivers all its products by a common carrier or United States mail from its inventory which is not located in the Taxing Jurisdiction; and

WHEREAS, Global Health Trax does not have any employees or inventory, nor does it own, lease or rent any real, personal or intangible property in the Taxing Jurisdiction; and

WHEREAS, in no instance is Global Health Trax required or obligated to install, supervise, repair or maintain service of any nature in the Taxing Jurisdiction; and

WHEREAS, the parties recognize that this Agreement will be mutually beneficial to the Taxing Jurisdiction, Global Health Trax and the IBOs;

NOW, THEREFORE, in order to simplify and make more efficient the administration and collection procedures of the sales and use tax imposed by the Taxing Jurisdiction, and to eliminate the individual licensing of IBOs for the purpose of sales and use taxes in the jurisdiction, it is agreed that:

1. The IBOs shall be recognized by the Taxing Jurisdiction as “independent businesses” and not employees, agents, managers, legal representatives, franchisees, order takers or joint venturers of Global Health Trax.
2. Global Health Trax shall assume the responsibility for the collection of sales and/or use taxes only on the products sold to IBOs, and shall not assume responsibility for the collection of sales and/or use tax on any other products sold by the IBOs. The collection will be based on the suggested retail price (or actual sales price if known) and ship-to-address, as determined by the zip code designation. Global Health Trax shall maintain records of such transactions at its headquarters.
3. This method shall be acceptable for the collection of the sales and /or use taxes by Global Health Trax. The parties agree that Global Health Trax may subsequently improve its method of determining the applicable Taxing Jurisdiction and prior written consent of such change will not be required by the Taxing Jurisdiction.
4. Global Health Trax shall remit the sales and/or use taxes to the Taxing Jurisdiction in lieu of payment of said taxes by, and individual licensing of, IBOs. The following adjustments shall be allowed in computing the sales and/or use tax due the Taxing Jurisdiction:
 - a. In the event an IBO makes a sale at a retail price higher than the suggested retail price and subsequently remits the additional tax, Global Health Trax shall adjust the next payment of sales and/or use tax to the Taxing Jurisdiction by an amount equal to the additional tax.
 - b. In the event an IBO makes a sale at a price lower than the suggested retail price and subsequently seeks a partial reimbursement of the tax previously paid, Global Health Trax shall reimburse the IBO and adjust the next payment to the Taxing Jurisdiction by an amount equal to the partial reimbursement. The partial reimbursement described in this subparagraph is the difference between the tax imposed on the suggested retail price and the IBO’s actual sales price.
 - c. In the event an IBO makes a sale and delivers or has delivered products to another IBO or retail customer located outside the Taxing Jurisdiction where the sales and/or use tax was originally imposed and paid and subsequently notifies Global Health Trax,

Global Health Trax shall make the appropriate adjustment with the IBO and the Tax Jurisdiction(s) involved. The IBO will be required to collect and remit the applicable sales and/or use tax for the location where the products were delivered and will be reimbursed for the tax originally imposed and paid.

- d. In the event an IBO uses the product(s) personally, for demonstration purposes or as a gift and subsequently seeks a partial reimbursement of the tax previously paid; Global Health Trax shall reimburse the IBO and adjust the next payment to the Taxing Jurisdiction by an amount equal to the partial reimbursement. The partial reimbursement described in this subparagraph is the difference between the tax imposed on the suggested retail price and the IBO's cost of the product(s).
- e. In the event an IBO makes a sale to a person or entity that is not required to pay sales and/or use taxes and subsequently requests a full reimbursement of the tax previously paid, Global Health Trax shall reimburse the IBO and adjust the next payment to the Taxing Jurisdiction by an amount equal to the reimbursement. Global Health Trax shall require that there be a signed exemption certificate on file with Global Health Trax for each person or entity to whom an IBO makes a tax exempt sale, as described in this subparagraph.
- f. In the event an IBO is erroneously charged sales and/or use tax and subsequently seeks reimbursement of the erroneous amount; Global Health Trax shall reimburse the IBO and adjust the next payment to the Taxing Jurisdiction by an amount equal to the reimbursement.
- g. In the event product(s) are returned and there is a refund of all or a portion of the price paid and the applicable tax previously paid, Global Health Trax will adjust the next payment to the Taxing Jurisdiction by an amount equal to the tax refunded.
- h. In the event Global Health Trax has accrued and paid any sales and/or use taxes to the Taxing Jurisdiction which are subsequently not collectable after Global Health Trax has exhausted reasonable means to collect, Global Health Trax will be allowed to adjust the next payment to the Taxing Jurisdiction for this amount, if this deduction is allowed by the Taxing Jurisdiction's sales and/or use tax law.

For the adjustments described in subparagraphs 4a. through 4g., Global Health Trax will require an IBO to complete and submit a sales and/or use tax adjustment form (copy of proposed form is attached as Exhibit A).

Taxing Jurisdiction agrees that this form is acceptable and may be modified by Global Health Trax without the prior written consent of the Taxing Jurisdiction. Taxing Jurisdiction further agrees that this form has the same validity, force and effect as an exemption certificate.

For the adjustment described in subparagraph 4h., Global Health Trax will maintain sufficient documentation to support the adjustment.

5. The Taxing Jurisdiction shall notify Global Health Trax of any change(s), substantive, administrative or procedural, affecting Global Health Trax's responsibility for the collection and remittance of the sales and/or use taxes, including but not limited to rates, collection fees, exemptions, filing dates, payments, prepayments and, credits.
6. The effective date of this Agreement shall be January 1, 2006.
7. Any modifications, amendments and, changes to this Agreement are binding only if in writing and signed by an authorized IBO of the Taxing Jurisdiction and Global Health Trax.
8. The Taxing Jurisdiction or Global Health Trax may cancel this Agreement at the end of any month with no less than sixty-(60) days prior written notice to the other party.
9. This Agreement to collect and remit the sales and/or use taxes to the Taxing Jurisdiction is made voluntarily by Global Health Trax as a convenience to and in a spirit of cooperation with the Taxing Jurisdiction, provided, however, that this Agreement is made subject to the condition that the IBOs' liability for sales and/or use taxes, to the extent collected by Global Health Trax pursuant to this Agreement, shall cease upon its effective date.
10. Execution of this Agreement by the Taxing Jurisdiction shall under no circumstances be construed as a waiver of its right to prosecute any IBO under the criminal provisions of its sales and/or use tax laws nor relieve any IBO of their civil liability for any such taxes to the extent not remitted to Global Health Trax for payment to the Taxing Jurisdiction in accordance with the terms of this Agreement.
11. By executing this Agreement, Global Health Trax is not admitting nor is the Taxing Jurisdiction assuming that Global Health Trax has sufficient contacts in the Taxing Jurisdiction to create nexus such that it could require Global Health Trax to collect its sales and/or use taxes. The Taxing Jurisdiction agrees that it shall not impute or otherwise attribute the IBOs' contacts, activities, agents, IBOs and property within the Taxing Jurisdiction to Global Health Trax to create nexus requiring payment or collection of any tax, fee or assessment, including but not limited to corporate income, business license, excise, single business, franchise, net

worth, gross receipts, business and occupational and ad valorem taxes. Taxing Jurisdiction also agrees that Global Health Trax will have no reporting or other obligations for reporting payments in the course of its business as described and set forth in Section 6041 of the Internal Revenue Code.

12. This Agreement shall be binding upon and shall inure to the benefit of the Taxing Jurisdiction and Global Health Trax, their respective successors and assigns.
13. All notices necessary or proper under this Agreement shall be in writing, delivered personally, or sent by certified mail to the following address for the Taxing Jurisdiction and the address set forth on the signature page for Global Health Trax.

Taxing Jurisdiction Address:

~~CITY OF KETCHUM~~
~~PO BOX 2315~~

14. This Agreement regarding the collection and remittance of taxes by Global Health Trax will include all sales and/or use taxes administered by the Taxing Jurisdiction or its Agent.
15. Global Health Trax shall be entitled to the collection allowance provided by the Taxing Jurisdiction. If the Taxing Jurisdiction modifies/changes its collection allowance for entities that voluntarily collect its sales and /or use tax, Global Health Trax will be entitled to the new allowance.
16. By executing this Agreement, both Global Health Trax and the Taxing Jurisdiction represent and warrant that they have full power and authority to enter into this Agreement.
