CITY OF KETCHUM AN EQUAL OPPORTUNITY EMPLOYER POSITION DESCRIPTION

Position Title: Senior Planner

Department: Planning and Building Department

Classification: Exempt

Compensation Range: \$53,030 - \$70,000

Location: 480 East Avenue North, Ketchum

Last Updated: February 2021

GENERAL PURPOSE

The Senior Planner position is responsible for performing a variety of professional land use planning and community development duties of the city. The Senior Planner performs current development review, code writing, long range and special planning projects, in addition to day to day customer service, permit processing, and assisting in department operations. The position includes work in natural resource conservation, urban design, community sustainability, floodplain management and other functions of the department. Duties include handling cases through development review, preparing recommendations to the planning and zoning commission and the city council, making public presentations, organizing community outreach, and working with the public and development professionals. Works closely with other city departments in coordinating development review and special project work. The position requires performing research and land use analysis and report preparation. The position requires strong code writing/interpretation skills and facilitation skills. In addition, this position performs the role of an ambassador for the City of Ketchum by working directly with the public on daily basis with customers from the community and other places throughout the world.

SUPERVISION RECEIVED

Works under the general direction of the Planning and Building Director.

SUPERVISION EXERCISED

Supervises the Planning Technician as assigned by the Planning and Building Director. Serves as the Director when the Planning and Building Director is absent.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Serves as the staff lead for all long range and current planning projects including, but not limited
 to design review projects, conditional use permits, variances, lot line shifts, vacations, text
 amendments, subdivisions, comprehensive plan amendments, and other applications and
 projects;
- Provides customer service related to zoning and development review processing;
- Serves as lead planner on a variety of land use cases which include: consultation with applicant,
 legal noticing, coordination with other departments and service providers; preforms analysis of

application with respect to the City's regulations, prepares report and makes recommendations;

- Attends meetings and makes presentations to the Planning and Zoning Commission, City Council, and other groups or organizations;
- Handles design review, subdivision, PUD, CUP, vacations, annexations and other land use applications of the city;
- Drafts land use code provisions, comprehensive plan updates, and adoption ordinances;
- Reviews, interprets, and analyzes building permits for compliance with zoning requirements;
 and performs site inspections for compliance with approved plans;
- Assists in projects associated with transportation planning, economic development, affordable housing, bike and ped/streetscape projects, community sustainability, among others;
- Advises builders, developers, property owners and other departments on City ordinances, requirements, resolutions, and planning and zoning policies; provides technical design assistance when needed;
- Handles special projects, special reports; conducts background research and/or analysis as assigned;
- Provides assistance in long range or special projects, including research and analysis, preparation of exhibits, informational materials, assistance in preparing for and at public meetings, and other aspects of the project;
- Organizes community outreach programs, facilitates training related workshops on land development topics to Planning and Zoning Commission and citizen groups;
- Conducts site inspections to determine code and ordinance compliance; handles some zoning enforcement, informs property owners of violations and makes recommendations on changes;
- Assists in strategic planning of the department and the implementation of goals and objectives;
 implements approved policies and procedures;
- May serve as the staff support and department liaison to the Historic Preservation Commission;
- May serve as the designated Floodplain Manager and assumes all responsibilities that this role requires including, but not limited to:
 - o Maintaining Ketchum floodplain records.
 - o Providing customer to service to residents regarding floodplain questions and issues.
 - Maintaining certification as a Certified Floodplain Manager (CFM).
 - Performing the duties required of the floodplain manager during emergency situations.
- Performs other duties as assigned.

PERIPHERAL DUTIES

May serve as a member of various committees.

Performs other duties as assigned by the Planning and Building Director.

DESIRED MINIMUM QUALIFICATIONS

Education and Experience:

Bachelor's degree in urban or regional planning, geography, natural resources planning, architecture or a closely related field; Master's degree preferred, or equivalent combination of education and experience. AICP certification preferred.

At least three years of professional experience in local/regional land use planning with development review, code writing, comprehensive planning and special project experience. Extensive work with the public, providing customer service and strong communication skills- both written and verbal.

Requires an equivalent combination of education, training, or work experience that produces the knowledge, skills and abilities to perform the essential duties and responsibilities of the position.

SPECIAL REQUIREMENTS

Must possess a valid State driver's license or have the ability to obtain one prior to employment.

TOOLS AND EQUIPMENT USED

Personal computer, including word processing and data base software; motor vehicle; telephone; mobile telephone, copy and fax machine.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed mostly in an office. Some outdoor work is required. Hand-eye coordination is necessary to operate computers and various pieces of office equipment.

While performing the duties of this job, the employee is occasionally required to stand; walk; talk or hear; use hands to finger, handle, feel or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to sit; climb or balance; stoop, kneel, crouch, or crawl.

The employee must occasionally lift and/or move up to 25 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee works mostly in an office environment with some exposure to outside weather conditions and is occasionally subjected to wet, cold and/or icy conditions. The employee occasionally works near moving mechanical parts and in high, precarious places and is occasionally exposed to wet and/or humid conditions, fumes or airborne particles, odors, toxic or caustic chemicals, risk of electrical shock, and vibration. The noise level in the work environment is usually moderately quiet.

SELECTION GUIDELINES

Formal application, rating of education and experience; oral interview and reference check; job related tests may be required.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

The City of Ketchum does not discriminate on the basis of disability in its hiring or employment practices.

Equal Opportunity Employer.
